Explanation and Instructions

Product Description

Our novel study template is an innovative and versatile product designed to enhance your reading experience and provide comprehensive study materials for any novel of your choice. It offers a wide range of customizable activities that cater to different learning styles and preferences. Whether you're a student, educator, or an avid reader, our novel study template empowers you to delve deeper into the world of literature.

Product Features

1. Customizable Activity Selection: Choose and print activities based on your preferences.
2. Activity Templates: Professionally designed templates for easy customization.
 - For example, the activity on Page 16 gives the teacher the option to insert six images of their own choice (in the included boxes), which then allows the student to match the pictures of each character to their name listed at the bottom of the activity.
3. Flexibility and Adaptability: Tailor activities to your desired level of engagement.
4. Comprehensive Activity Bank: Diverse activities covering various literary elements.
5. User-Friendly Interface: Convenient navigation and helpful suggestions.
6. Print Ready and Digital Formats: Access activities in printable or digital form.
 - Each of our customers can choose to **print out the activities** in this template, or work straight from PDF using the **fillable forms** option in Adobe Software.

These features make our product a versatile and personalized tool for enhancing your study experience. You can find more of our products by visiting www.reednovelstudies.com

Map the story

Create a visual map or diagram that represents the locations, journeys, or relationships in the novel. Use symbols, lines, and colors to illustrate the connections and transitions between different elements of the story.

Create a Diorama

Project Description:

In this project, you will have the opportunity to delve into the world of our novel by creating a captivating diorama that encapsulates the essence of the story. A diorama is a three-dimensional representation that combines artistic elements and storytelling to provide a visual interpretation of a scene, setting, or moment from the novel.

Objective:

The objective of this project is to engage with the novel on a visual and creative level by constructing a diorama that captures the key elements of the story, such as characters, settings, themes, and plot-points. Through this hands-on artistic endeavor, you will deepen your understanding of the novel and showcase your interpretation of its unique world.

Instructions:

- Choose a scene or setting from the novel.
- Plan and sketch your diorama.
- Gather materials.
- Construct the diorama with attention to detail.
- Add figurines and props to represent characters and key elements.
- Refine and finalize the diorama.
- Reflect on the scene's significance and present your diorama, explaining your process.

Evaluation Criteria:

Your diorama project will be evaluated based on the following criteria:

- Faithfulness to the scene or setting.
- Creativity and originality.
- Attention to detail and capturing the essence of the novel.
- Effective presentation and reflection.

Remember, this project is an opportunity to explore your creativity while immersing yourself in the world of the novel. Enjoy the process of crafting a tangible representation of the literary universe and bring the magic of the story to life through your diorama.

A Storyboard

A storyboard is a series of pictures that tell about an important event in a story. A storyboard can tell the story of one scene - or the entire novel.

Complete the storyboard below illustrating the events described in one or two chapters of the novel. You may wish to practice your drawings before you begin.

A Comic Strip

This activity is especially for students with an artistic flair or who love comics! It can be done for any event up to this point in the story. The first step is to decide on the length of your comic strip (6 frames is suggested); next consider what events you will include. You may wish to highlight a brief incident, or include highlights of the novel to this point. You may even want to provide an alternate ending to the scene or story!

A Collage

Make a collage from magazine pictures illustrating a scene from the novel, or events and characters from the entire novel.

A Book Cover

Create a book cover for our novel. Be sure to include the title, author, and a picture that will make other students want to read the novel.
