Synopsis

The Lightning Thief is the exciting fantasy/adventure novel featuring the adventures of Percy Jackson, a twelve-year-old boy with dyslexia and Attention-Deficit Disorder (ADD), who has been expelled from a string of boarding schools and is having a difficult time adjusting to his circumstances. Percy's life changes forever when he inadvertently discovers that he is a demigod, the son of a mortal woman and the Greek god Poseidon. Percy and his friends, Annabeth and Grover (a satyr assigned to protect him) embark on a quest to prevent an apocalyptic war between the Greek gods Zeus, Poseidon and Hades.

Percy's adventures really begin when he is sent to Camp Half-Blood for the summer. Here he meets other children similar to himself and is given the quest of finding and returning the master bolt, stolen from Zeus.

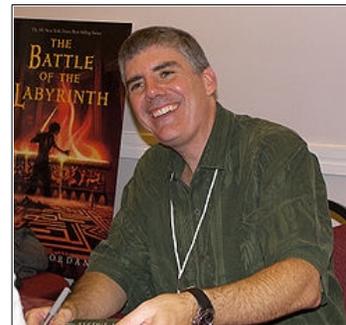

On this perilous journey to Hades and back, Percy and his two friends encounter many of the famed characters from Greek mythology, and in the process Percy learns much of himself, his capabilities, limitations and his own place in this most unusual world.
