The Wolves of Willoughby Chase By Joan Aiken

Synopsis

'The ship on which your mamma and papa set sail has been sunk off the coast of Spain. You are an orphan, Miss Green, like your cousin, and from now on it is I who have sole say in your affairs. I am your guardian.'

Even the wolves that surround the great house of Willoughby Chase are not as cruel and merciless as the evil Miss Slighcarp. Bonnie and Sylvia must use all their wits to survive.

The first title in the now classic *Willoughby Chase* saga is set in 1832 in a period of English history that never happened. King James III is on the throne and a newly opened Channel Tunnel gives access to ravaging wolves... [The Publisher]

One genuine small masterpiece. Time Magazine.

Language Activities

A. Anagrams

An anagram is a word that is formed by changing the order of the letters of another word. For example, the letters in the word **WAS** can also form the word **SAW**. Follow these directions to form the anagrams:

- a) read the clue in the right-hand column.
- b) Using the word in the left-hand column move the letters around in any order, but you must use all the letters. All of the words in the left-hand column can be found in the first chapter of *The Wolves of Willoughby Chase*.

Word	Anagram	Clue
great		Price something once more.
shovel		Small, squalid buildings.
golden		Yearned.
snow		Possesses.
slender		Banks.
wrestle		Bake under the noonday sun.
secret		Builds.

Now find two additional words from the first chapter which have interesting anagrams to see if you can stump a classmate.

Good to Know ~ Timber Wolves (Fascinating Facts)

Wolves are the largest members of the dog family, which also includes coyotes and dingos. There are approximately 150,000 wolves in the world today. Did you know that a hungry wolf can eat 20 pounds of meat at a single meal, which is akin to a human eating 100 hamburgers. Male and female wolves that mate usually stay together for life. Under certain conditions a wolf's howl can be heard six miles away. Wolves do not make good guard dogs as they are naturally afraid of the unfamiliar and will hide from visitors.

B. Quatrain Poems about Wolves.

The **quatrain** is a popular form of rhymed verse. It is a poem of <u>four</u> lines, is usually light and can be humorous. The following quatrain was written by the famous poet, Atrocious Halitosis. It is called, *Where Wolves Walk*.

The timber wolf's a furry chap, He's got sharp teeth and claws to match. He hunts and prowls amid the trees, And goes wherever he may please.

Various rhyming schemes make up a quatrain poem. As you can see, the above four lines have a rhyming scheme of **A - A - B - B** Other rhyming schemes include: ABAB, AABA, ABBA, ABBB, and AAAB.

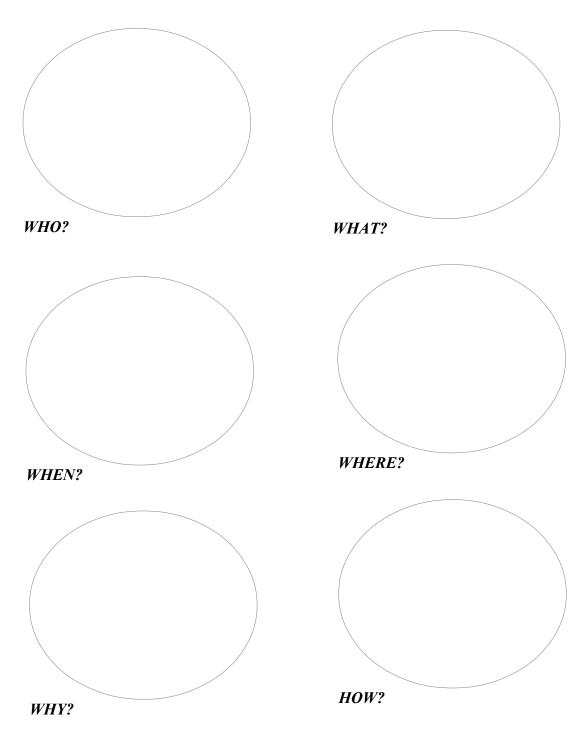

Your task is to write your own quatrain poem. You may choose a rhyming scheme that fits with your own personal creation. The theme should have something to do with the themes established in the first chapter of our novel.

The Quatrain Poem
Now create your own Quatrain Poem. Your poem must follow the format of a quatrain poem described above (and must rhyme).

G. Caviar Words

The author of this novel is noted for her use of elegant, tasteful words. Someone once stated that some words have the sound of **caviar** (rich and elegant) and others are more are common (**peanut butter** words). With a colleague come up with 6 examples of each type of word. You may use any chapter of the novel to find these words.

Storyboard

A storyboard is a series of pictures that tell about an important event in a story. A story-board can tell the story of only one scene – or the entire novel. Complete the story-board below illustrating the events described in the first chapter of our novel. You may wish to practice your drawings on a separate piece of paper.
